

1251295 BC LTD ,Gold Standard Seeds

P.O Box 866 Errington, Bc V0R1V0

Thank you for contacting us for high CBD feminized hemp seed. We are now offering thirteen high CBD hemp strains that are all feminized. All of our hybrids are intended for growers that want to produce high quality cannabinoid oil or smokeable flower. We have added one Auto-Flower strain: *Pivot*, and now offer a hybrid certified by the AOSCA called *Canadian Beauty*.

Mountain Mango - +17% CBD: Our world famous Mountain Mango has been grown from Australia to Canada and everywhere in between.

Quick Kush - +20% CBD: We call it 'Quick' because it develops frosty and kush like fragrant buds with large calyxes very quickly after starting to flower.

Cherry Wine - "Bohdi's Cut" +16% CBD: Our version of the classic strain that has been the most planted hemp cultivar for the last four years worldwide.

Prairie Wine x Cherry Wine - +18% CBD: We crossed Cherry Wine with an old hemp cultivar we have been working with for years to create this sweet flower.

Silver Linings - +16% CBD: Super Silver Haze crossed with Cherry Wine.

Rewined - +16% CBD: We back crossed our best Cherry Wine phenotypes into our F1 Cherry Wine for Rewined.

The Wife - +17% CBD: The classic strain that many other hemp strains are based on.

The Wife x Cherry Wine - +21% CBD: We crossed The Wife with Cherry Wine for this very high CBD hybrid.

Victory Haze - +15% CBD: Our cross of Super Silver Haze with Suver Haze, shows purple when mature.

CBD Remedy - +17% CBD: This is a super tasty and frosty strain that has been well received world wide.

G13 - +16% CBD: We crossed Cherry Wine with the famous G13 strain to create this dank flower.

Canadian Beauty - +19% CBD: Our AOSCA certified hemp seed, available in quantities of 1,000 seeds or more.

Pivot Auto-Flower - +17% CBD: Ready to harvest within 3 months of planting.

Please contact me to order seed or for any information, phytosanitary certificates or any other documentation you may need.
